

MCCONNELLSVILLE COUNTRY CLUB

McConnellsville Country Club is now under new management. We would like to introduce ourselves to each of you and share with you our plans for the 2022 golf season. We are a close-knit, ambitious family who are driven to provide you with the exceptional golf experience that you are accustomed to at McConnellsville. We are also excited to bring you a new take on the clubhouse restaurant now named Legacy Grill. We have taken some steps to update the clubhouse and have completely revamped the menu. We hope that these will be welcomed changes from you as members. The clubhouse will be open year round, 7 days a week during the golf season and winter schedule to follow.
