# RULES AND REGULATIONS

- No outside food or alcohol is permitted. The Legacy Grill has a full-service bar and restaurant.
- Food and beverage purchased from the Legacy Grill are allowed in the lounge area but must remain off of the "hitting area" on both bays.
- If it is not your turn to hit, you must remain off of the "hitting area" and at least 3 feet away from the flightscope. Accidentally kicking or moving the flightscope will affect your ball flight.
- You may bring your own clubs or request a rental set. Limited rentals available for \$20.
- Dirty shoes and metal spikes are not permitted. Clean golf shoes with soft spikes or clean sneakers are recommended.
- It takes about 1 hour per person to complete 18-holes if you are familiar with the system. Please be aware of this when booking tee times. Reservations are time based, so you must be conscious of time when trying to complete 9 or 18-holes.
- We recommend arriving 10 minutes early for your tee time. Time will not be added to your reservation if you or anyone in your group shows up late.
- Anyone who "no-shows" without calling to cancel will lose reservation privileges.
- Any questions or concerns must be brought to Kyle's attention.
